

## **Project Manager (Energy and Carbon Management)**

Nexant, Inc. is a leading provider of energy and carbon management consulting services to electric utilities, energy producers, and energy end-users worldwide. We are currently seeking a Project Manager in energy efficiency, energy management, and green buildings applications for our Chandler, AZ office.

The successful candidate will be responsible for overseeing staff who are reviewing energy efficiency projects, conducting energy engineering analyses, and writing reports. Additional duties include maintaining client relationships and developing new business. Successful candidates must demonstrate ability to fulfill the duties and responsibilities of the position. Our clients include public agencies, private and investor-owned utilities administering ratepayer-funded energy efficiency programs, energy end users and energy service companies.

We are also currently seeking junior and senior level engineers.

### **Duties and Responsibilities:**

- Manage three to six full time engineers
- Maintain quality control of all deliverable products, demonstrating technical excellence, objectivity, and clarity while maintaining project schedules
- Meet with clients to co-manage projects, present results, and develop new scopes of work
- Develop new business opportunities
- Meet overall budget and profitability targets

### **Experience and Education:**

- Master's degree or Ph.D. in mechanical, architectural, electrical or civil engineering or sustainable building practices
- P.E. preferred
- Industry contacts preferred
- An understanding of building systems (particularly HVAC), thermodynamics, and heat transfer
- Minimum of 6 years experience within the utility, energy efficiency, or building efficiency industry
- Demonstrated ability to manage multiple projects while meeting deliverable deadlines and budgets
- Excellent analytical, writing, presentation, and interpersonal skills

**Salary and Benefits**

Nexant offers attractive salaries based on candidate's qualifications. Nexant also offers three weeks paid vacation per year, 11 paid holidays per year, a 401(k) plan with employee matching funds, and a comprehensive benefits package.

Interested applicants should send their resume and salary requirements to [jobs@nexant.com](mailto:jobs@nexant.com). Reference 'Project Manager -AZ' in the subject line. Please visit our website at [www.nexant.com](http://www.nexant.com) for more information.

Nexant, Inc. ([www.nexant.com](http://www.nexant.com)) is an equal opportunity employer and encourages workforce diversity. We welcome applications from all qualified candidates.
